OTHER PROGRAM SERVICES:

1. LIFE LONG LEARNING SERVICES: Partnered with the Osher Lifelong Learning Institute to facilitate the availability of self-enrichment courses in history, literature, nature, philosophy, sociology, religion, economics and sciences. (All members served through this program.)
2. SOCIAL SUPPORT SERVICES: Provided social and emotional support through bimonthly meetings of widows and widowers to facilitate bereavement support and provide an opportunity for re-entry into the social environment of the neighborhood. (average attendance - 10 people)
3. INFORMATION AND COMUNICATION SERVICES: Developed a web site, wwwsnapn.org, to provide information to the community and allow for members to interact with each other and the program management. Provided a library of information regarding services available in the community which can add to life enrichment and facilitate "aging in place." (All members served through this service.)

There were no direct expenses attributable to the programs described; all activities were carried out by volunteers. All expenses were incurred to carry out the purposes for which the organization was formed.

Our best estimate to allocate the expenses would be:
