Volunteering

SNaP welcomes all volunteers and offers them the opportunity to help other members in their community. Whether you have an hour to spare or can devote more time, we have an opportunity for you! If you would like to volunteer for one or more of the following, please call 352-2612 for more information.

Home visiting—volunteers make home visits to members who find it difficult to get out—a visit can be once a week or once a month. This is a great way to make a new friend and make a difference in someone's life.

Driving—drivers are encouraged to volunteer. Drivers may take members to medical appointments, to run errands, or accompany them while grocery shopping.

Phone calls—contact a member by phone just to “check in” and say hi.

Pet walking—walk a pet and make a new “furry” friend.
